Subject: **UNESCO/ISED Co-Sponsored Fellowships Programme – 2017**

Madam/Sir,

On behalf of the Director-General, I am pleased to inform you that the International Center for Sustainable Energy Development (ISED) in Moscow, Russian Federation is offering **twenty (20)** fellowships of four-week duration within the framework of the UNESCO/ISED Co-Sponsored Fellowships Programme.

The energy questions being a priority for the international community and the United Nations System, these fellowships are aimed at enhancing the capacity-building and human resources development in the field of sustainable and renewable energy in developing countries and countries in transition.

The training will be held in specialized institutions in the Russian Federation from **2 to 27 October 2017**. The medium of instruction being English, only candidates proficient in this language are eligible to apply.

This letter of announcement is addressed to Member States whose names are on the attached list (Annex I).

Annex II to this letter provides detailed information concerning the fields of study proposed, the qualifications required, the facilities offered, the general conditions governing the award of fellowships and the procedures for the submission of applications. In order to enable the Selection Committee to make the best possible choice, I would be grateful if you would kindly arrange for your country's nominees (a **maximum of 2 candidates**) to complete and attach – in as detailed manner as possible – the required forms and documents.

All applications should be sent **in duplicate** to the attention of Mr. Stoyan Bantchev, Chief, Participation Programme and Fellowships Section, UNESCO, 7, place de Fontenoy 75352 Paris 07 SP, France not later than **17 April 2017**. A scanned copy may be sent by e-mail: y.negash@unesco.org and l.zas-friz@unesco.org.

This Programme is offered in open competition. As the number of fellowships put at the disposal of UNESCO under this Programme is limited, only candidates who demonstrate outstanding intellectual qualities, imagination and personal commitment will have a chance of being selected. Given that UNESCO attaches high priority to gender equality, special attention will be paid to women's candidatures for an equal representation.

Please accept, Madam/Sir, the assurances of my highest consideration.

Eric Falt
