Andorra does not require a specific visa from any single nation.

However it is crucial to note that access to the Principality of Andorra must be made via France or Spain.

Therefore any national travelling to Andorra from a non-Schengen country should seek advice from the French or Spanish Embassies or Consulates (depending on the country of entrance) in relation to their visa requirements, and also to confirm the procedures that must be followed to procure an appropriate visa if necessary.

In cases in which a Schengen visa is required, applications for a double or multiple entry Schengen visa may be necessary depending on the number of times entrance-to or exit-from the Schengen area is requested,
